Group Chief Executive Officer and Head of Italy

onemarkets Fund: Client-focused, strictly monitored, unique.

With **onemarkets Fund**, we are expanding our investment solutions by offering our own actively managed funds. Our expert teams create investment solutions either by relying on our own asset management skills or by partnering with experienced external fund managers. In both cases, UniCredit is actively involved in defining the investment strategy and closely monitors the quality and risk-return profiles of the funds.

ONEMARKETS: WORLDWIDE OPPORTUNITIES

onemarkets is the product brand for state-of-the-art investment solutions designed by UniCredit. It combines expertise in investment products, like **onemarkets** certificates, with access to financial markets worldwide.

onemarkets Fund is an essential part of the UniCredit investment universe with an additional and exclusive set of actively managed investment funds, catering to a range of risk and opportunity appetites and covering bond, equity and multi-asset classes.

The UniCredit investment management solutions allow asset allocation to be mandated to an expert and skilled portfolio manager who knows how to navigate the market. Our ambition is to offer best-in-class investment solutions. Therefore, our team of experts closely monitors each fund and is in the position to make adjustments where necessary.

Three reasons why **onemarkets** Fund is a compelling offer

CLIENT CENTRICITY

Client-focused advisory approach coupled with sound consulting competence.

- The selection of an appropriate range for the **onemarkets Fund offer** is based on our knowledge and on a team of experts with the ability to analyse the markets and to identify relevant market opportunities.
- **As the partner of choice** for investors' increasingly sophisticated demands, we are further strengthening the existing advisory competence and our capacity to build solutions.
- In order to ensure high-quality service to investors, our advisors regularly attend ongoing trainings and benefit from our active role in professional associations at local and European level.

COMPETENCE

Benefit from the long-standing competence of UniCredit's Investment Strategy and Product Management teams.

- We leverage the strengths of **UniCredit's Chief Investment Strategy Team** at Group level and in the local banks when analysing markets, new trends and relevant investment opportunities. In collaboration with teams of advisory, product and structuring experts, our strategy is translated into suitable investment solutions.
- With **onemarkets Fund**, we offer investment solutions which benefit from UniCredit's Investment Management and Fund Selection expertise.
- In addition, **specific bespoke fund strategies are created** in close collaboration with selected well-known external asset management companies.
- Our **experts closely monitor** the funds' performance to ensure consistency in the quality and risk-return profiles of the defined strategies throughout the cycle.

UNIQUENESS

Deliver best-in-class investment solutions – developed in-house or through partnering with experienced asset managers.

- With **onemarkets Fund**, we are offering an exclusive set of investment solutions which are managed by UniCredit experts or by carefully selected quality partners including Amundi, Allianz Global Investors, Capital Group, BlackRock, Fidelity, J.P. Morgan, Pictet, PIMCO and Rockefeller.
- UniCredit has a **long-standing expertise and a track record** in creating investment solutions reflecting both market opportunities and investors' demands.
- With our mix of bonds, equities and multi-asset funds, we have identified themes that provide investors with a **well-balanced offering** to select relevant investment solutions in line with their individual needs, risk tolerance, market view and investment horizons.

ONEMARKETS FUND AS A PART OF UNICREDIT'S INVESTMENT UNIVERSE

onemarkets Fund is an essential part of the UniCredit investment universe. UniCredit defines the investment strategy and conceptualises the funds in cooperation with well-known fund companies. For each individual fund, the portfolio is managed either by UniCredit Group companies¹ or by selected experienced asset management companies. The funds' performance is monitored closely by UniCredit experts to ensure consistency in the quality and risk-return profiles of the defined strategies throughout the cycle.
